Sarah Orendt, Licensed Septic Installer, Licensed Well Technician,
Registered Home Inspector, Sarah's Home Inspections Inc.

Sarah Orendt is a seasoned professional in the septic industry, boasting a rich lineage as a third-generation septic specialist.

Licensed since the age of 18, Sarah has amassed a wealth of experience in installing, repairing, and maintaining thousands of septic systems. For the past 15 years, Sarah has specialized in inspecting septic systems for real estate transactions. Her keen eye for detail and comprehensive understanding of regulatory standards have made her an indispensable asset in the real estate industry.

Additionally, she owns a thriving multi-inspector company, where her expertise has garnered her a reputation for excellence and reliability in her community.
