NOVEMBER 13 - 15, 2026 KELOWNA, BRITISH COLUMBIA

**SPONSORS
WELCOME**

**CONNECT WITH
HOME & PROPERTY INSPECTORS FROM
ACROSS CANADA**

Why Sponsor...?

Partnering for Success: Why Sponsorship Matters—and Why It Matters Now

In today's fast-moving, relationship-driven professional landscape, meaningful connections and visible brand presence are more valuable than ever. Sponsorship is not simply about logo placement, it's about strategic positioning, industry leadership, and building lasting relationships with a highly engaged audience.

Our upcoming conference offers a unique opportunity for organizations to align themselves with a trusted national voice in the home inspection profession, while directly connecting with inspectors, industry stakeholders, and decision-makers from across the country.

Elevate Your Brand

Sponsorship provides unparalleled visibility before, during, and after the event. From prominent logo placement across conference materials to dedicated social media promotion and on-site recognition, sponsors benefit from sustained exposure to a targeted audience.

Top-tier opportunities, such as the Presenting Sponsor, Networking Event Sponsor, and Exhibitor Reception Sponsor offer naming rights ("Presented by"), opening and closing remarks, and the ability to showcase company videos - ensuring your brand is front and centre at key moments.

Connect with Your Audience

This conference isn't just about attendance - it's about engagement. Sponsors gain direct access to participants through:

- Complimentary registrations and event access
- Exhibitor booth opportunities inside the plenary room to showcase products and services
- Inclusion in the delegate bag or conference program
- Access to the delegate list (for consenting attendees)

Whether you're hosting a breakfast, sponsoring an education session, or supporting a networking event, each touchpoint is designed to foster genuine interaction and meaningful conversations.

Demonstrate Industry Leadership

Sponsorship positions your organization as a committed supporter of the profession. Opportunities to contribute content such as articles in the digital program or social media features allow you to share insights, highlight expertise, and reinforce your leadership within the industry.

Select sponsorship levels also provide the chance to submit presentations for consideration as educational sessions, further amplifying your voice and value.

Flexible Opportunities for Every Organization

With a range of sponsorship levels from high-visibility presenting roles to targeted opportunities like breaks and education sessions, there are options to suit every budget and marketing objective. Each package is thoughtfully designed to deliver tangible value, ensuring your investment translates into real impact.

Be Part of Something Bigger

Beyond the individual benefits, sponsorship is an investment in the growth and advancement of the home inspection profession. Your support helps deliver high-quality programming, fosters community, and strengthens connections coast to coast.

Head Office/Siege Social: 832 March Road P.O.Box 76065, Ottawa, Ontario K2W 0E1

Email: info@cahpi.ca • Website: www.cahpi.ca • Tel: 6132273919

Courier address only: 151 Archie St., Ottawa, ON K0A 3M0

OPTIONAL ADD ON: 2027 CAHPI WEBINAR SERIES

CAHPI's *Weekly Wednesday Webinar Series* is a national professional development program reaching hundreds of home and property inspectors across Canada every week between January and April. These live sessions have featured respected industry experts and practical, real-world topics that inspectors rely on to improve their skills, manage risk, and grow their businesses. Moving forward for 2027, CAHPI will adjust the delivery of these popular events to monthly throughout the full year – allowing for 12 webinars per year.

Two partners would be allocated six alternating webinars throughout the year at an annual cost of \$5000.00.

Sponsors will benefit from repeated, consistent recognition at each webinar through promotional emails, registration pages, and live participation. Your brand will also be showcased via the CAHPI E-Learning Library where all recorded webinars are available for continued on-demand viewing by both members and non-members. Together, the live webinars and the on-demand sessions create ongoing, consistent visibility and meaningful connection with a loyal professional community.

Partner with CAHPI to support education, professionalism, and innovation in Canada's inspection industry while positioning your organization as a trusted leader and supporter of inspectors nationwide.

Sponsor Benefits:

- **Consistent Brand Exposure:** Your organization is featured every second month through 2027 in front of a national audience of engaged home and property inspectors, reinforcing brand recognition through repeated visibility rather than one-time impressions.
- **Highly Targeted Audience:** Direct access to home and property inspectors who actively purchase tools, services, insurance, technology, and education related to home inspection.
- **Pre-Event & Post-Event Promotion:** Logo and company recognition included in webinar registration pages, email campaigns, social media promotions, and recorded webinar libraries.
- **Live Acknowledgement During Each Webinar:** Sponsor recognition at the beginning and end of every session, with the opportunity for a brief verbal introduction.
- **Long-Term Visibility Through Recordings:** Recorded webinars are posted in the CAHPI E-Learning Library and permanently available to all members and non-members, extending your exposure well beyond the live event dates.
- **Positioning as an Industry Supporter:** Align your brand with education, professionalism, and industry advancement by supporting ongoing inspector training.
- **Relationship Building, Not Just Advertising:** Repeated contact builds familiarity and trust with attendees over time, increasing brand credibility and recall.
- **Data & Engagement Insights:** Access to aggregate attendance numbers and engagement metrics to demonstrate return on investment.
- **Cost-Effective National Reach:** Recurring sponsorship provides year-round exposure at a fraction of the cost of trade shows or single-event advertising.

SEE 2024 - 2026 WEBINAR STATS INCLUDED IN THIS PACKAGE
