Ottawa Conference and Events Centre

Ian Myers, WETT Instructor in Training

Ian Myers established Myers Chimney in 2007 and has since provided chimney and solid fuel burning

appliance installation, maintenance, inspection and repair services to the Haliburton County area which includes 4 Municipalities. Being a wood burning territory, Ian's company meets the needs of his community by providing on average 500 – 600 inspections per year. He publishes no less than 1 – 3 articles annually in newspapers and periodicals on topics related to system installation, inspection and maintenance. Ian is often called upon to settle inspection disputes where differing opinions threaten Real Estate transactions or the assessment is inconclusive.
