Kelley Bush, Manager, National Radon Outreach Program, Radiation Protection Bureau, Health Canada

Kelley Bush has been the Manager of the National Radon Outreach Program since 2008 at Health Canada's Radiation Protection Bureau. The overarching objective of the National Radon Program is to reduce the incidence of radon-induced lung cancer in Canada by providing evidence based guidance and promoting risk reduction behaviour change. Prior to joining Health Canada Kelley worked in the private sector as a marketing and sales management professional in the IT industry. Kelley holds a Bachelor of Commerce with honours in Marketing from Concordia University.
